Child Care Centers and Daycare Facilities
of Northern Middle Tennessee

Subject: Grant Opportunity to Expand Child Care Facilities

Dear Daycare Facility,

You are receiving this notification because the State of Tennessee has indicated to us that you are a licensed daycare (or are in the pre-licensure process) within a community that is eligible to apply for a grant being administered by the Greater Nashville Regional Council (GNRC).

The TN Department of Economic and Community Development has launched the **Child Care Creation Grant Program** using CDBG-CV funds from the U.S. Department of Housing and Urban Development. The program is intended to help expand child care capacity within Tennessee communities. Local governments can use these funds to help daycare providers serve more families.

Middle Tennessee has been allocated \$990,000 of the \$9 million made available statewide. GNRC will be responsible for administering a regionally competitive grant application process to recommend projects for funding, up to \$500,000.00 per award. The deadline for pre-applications is April 15, 2022.

For more information about this opportunity, please visit www.gnrc.org/grants/childcare or scan the QR Code located below my signature with your mobile phone.

Sincerely,

A handwritten signature in blue ink, appearing to read 'MS', is written over the printed name.
